

Luther Time Trial

COVID-19 STYLE

Details:

1. After a warm up, **pedal south on South Upper Truckee**. Just after the intersection of Old Meyers Grade the segment starts. It is cracked up and needs repaved (similar to the back side of Pinenut RR, sorry). Continue on S. Upper Truckee for 3.5 miles where you will hit the steepest part of the ride. A single lane switchback that will bring you up to Hwy 89.
2. **Turn right onto Hwy 89** (don't continue on the single lane road into the campground). **Ride the shoulder of Hwy 89 to the top** where you will be rewarded with 1.75 miles of flat before the finish as you cross the Toiyabe National Forest sign.
