Alta Alpina Challenge 2019 - June 29

Michael Bayer, Challenge Director

VOLUNTEERS NEEDED

Alta Alpina's reputation for producing world-class cycling events has spread far and wide. This year's Alta Alpina Challenge is now just days away. Our event features up to two hundred miles of riding, 11 rest stops, 1 water stop, and a great menu for post ride meals at Turtle Rock Park.

Endurance cyclists from far and wide are traveling here to pit themselves against the 8 Pass Challenge--the Toughest Double Century in the World and to earn the fabled 8 Pass Finisher Jersey. The "Build-Your-Own-Challenge" allows participants to ride just their favorite combination of passes as part of a fully supported ride. Regardless of the challenge each rider chooses for themselves, they'll collect stickers on their personalized souvenir rider bib to commemorate their achievement.

Thanks to everyone who has volunteered to help before, during, and after the event. We still need volunteers at all hours of the day on June 29 as well as on Thursday June 27, Friday June 28, and Sunday June 30. If you haven't signed up yet, please contact me at challenge@altaalpina.org.

We're also looking for ice chests, water coolers, and 10x10 shade tents to borrow for the weekend. If you can loan us equipment, label it with your name and phone number using indelible marker and either bring it to Turtle Rock Park on the afternoon of Thursday June 27 or bring it to the Fredericksburg race that day (or contact me at challenge@altaalpina.org so we can arrange another option).

On Thursday June 27 after the race we'll be transporting all the gear and supplies to Turtle Rock Park (pizza will be served). We'll need people with trucks and trailers for this and again on Sunday morning to move gear back.

Encourage Your Friends to Register!

Another way you can help to make the Alta Alpina Challenge a success is to encourage your friends to register to ride with us. We keep the ride small but we're not sold out yet and we're anxious to get as many riders registered as we can over the next few days. The range of ride options we have available makes the Alta Alpine Challenge quite unique. Online registration closes Monday June 24 and onsite registration will be limited.

Please do what you can to recruit some new participants!

AACC Weekend Ride Schedule—July

Rick Miyashiro, Weekend Ride Coordinator

Our rides accommodate participants with a wide variety of riding speeds and we plan on regular regroup points. The average net speed (including regroup/rest times) is typically 10mph. For example, we'll typically be back at the start after 4 hours for a 40 mile ride. Faster riders are encouraged to circle back at regroup points, to take photos for the group, or to take some time to socialize. Please contact ridecoordinator@altaalpina.org if you can lead a weekend ride.

Saturday June 15, 2018 — Kingsbury Luther

Meet at Genoa Town Park on Nixon Street ready to ride at 9:00am. We'll ride up Kingsbury to Lake Tahoe, to Pioneer Trail to old South Upper Truckee Road, and over Luther Pass, down Woodfords Canyon and back along Foothill to the start, for about 62 miles and 4800 feet of climbing. Or just join us for the Kingsbury climb.

Saturday June 22, 2018 — Highway CleanUp, then Monitor or Ebbetts

Meet at Turtle Rock Park on Hwy 89 at 8:00am. Here's an easy way to help the club, the environment, and your community! We'll spend about an hour cleaning the highway roadside of litter. Please wear long pants and long sleeves for this. Afterwards we'll regroup and set off to ride either Monitor or Ebbetts, whichever the group prefers. The more folks who show up, the easier, faster and more fun this goes, so if you're on the fence, c'mon out!

Saturday, July 6, 2019 — Bowers Mansion to Hidden Valley

Meet at Bowers Mansion Regional Park 4005 Bowers Mansion Rd, New Washoe City, NV 89704 off of Alternate Hwy 395 Davis Creek exit of i-580. Be ready to ride at 9:00am. An easier ride for those in town over the 4th weekend, (there was interest to ride the new Veteran's Parkway bike path). Out and back with a lap around Hidden Valley. A no-drop weekend club ride with snacks afterwards. Maybe a last flatter ride as we switch into the alpine passes in the second half of the season.

Saturday, July 13, 2019 — Flume Trail MTB

Meet at Spooner Lake State Park - Take Hwy 28 North from Hwy 50 less than a mile and turn right into the State Park. Pay parking fee or \$2 bike-in fee, and continue to bear left to go into the lower parking lot. We will meet ready to roll at 9:00am near the split to the left in the parking lot. Come for the views, stay because mountain biking is so much fun. Incredible views of Tahoe guaranteed, from 1000 feet above. To get to the Flume, there's about 1000 feet of climbing on dirt road. The Flume Trail itself is pretty easy, as long as you don't mind steep drop-offs to one side. You can choose to just do an out-n-back on the Flume, but the whole ride will also make a big loop around Marlette Lake. Which trails we ride will depend on the preference of the group, and there will be singletrack. This is an AACC weekend ride so we have drinks and snacks at the end.

Saturday, July 20, 2019 — July Highway Cleanup

This is our second highway cleanup of 2019. We'll meet at Turtle Rock Park at 8:00am and spend an hour cleaning the highway roadside of litter. Please wear long pants and long sleeves for this. At roughly 9:00am we'll regroup and set off to ride 30-40 miles either Monitor or Ebbetts, whichever the group prefers. The more folks who show up, the easier, faster and more fun this goes.

Saturday July 27, 2019 — Challenge Staff Ride

Everyone who volunteered for the Alta Alpina Challenge is invited to ride the Challenge route--all 8 passes if desired--with rest stops. The timing and cut-offs are the same but support locations are different. If you'd like to ride or if you'd like to volunteer for a rest stop, please send an email to volunteers@altaalpina.org.

Sunday October 6, 2019 — Tim Rowe Memorial Ride

Start finish will be at CG Bar in Wellington. We'll carpool from Lampe Park in Gardnerville departing at 8:00am. This ride is an out-and-back from Wellington to Bridgeport over Sweetwater Summit. There will be a rest stop at top of the pass and those who want a shorter ride can start later and just ride to the summit to meet the main group on their way back. Those riding to Bridgeport should bring money for goodies. The club buys pizza at the end at CG Bar but you have to buy your own beer. This ride honors Tim Rowe past president of the club, Death Ride director, and bike advocate.

Vice-Presidential Posting

Tammy Lundquist, Vice-President

Mountain Bike Trail Etiquette

After winter with above average snow pack, the snow covered dirt trails are thawing out and while a lot are already accessible and ride able. the higher elevation trails are not. So now is the perfect time to get reacquainted with trail riding etiquette. Are you guilty of any of these trail sins?

- Riding closed trails
- Riding trails that are still too wet
- Riding your E bike or pedal assist bike on trails where they are not allowed
- Going the wrong way on a one way trail
- Cutting corners
- Littering
- Stopping in the middle of the trail to answer your cell phone.
- If riding alone, not telling someone where you are going and when you will be back

Here are things you should be sure to do:

- Let people pass
- Remember to say "Thank You"
- Be prepared for a change of weather
- Help others that may need assistance
- Ride through not around puddles (don't widen trail)

Less a question of etiquette and more an issue of preparation, remembering to bring the essentials goes on this list because there's nothing more depressing than your chain falling off your bike miles away from civilization with no phone reception. There's also nothing more annoying than having to give away inner tubes to the same rider who never brings their kit. So every time you go out remember to bring: Spare inner tubes, tire levers, pump, allen key, enough water and snacks for your ride and a basic first aid kit.

Enough said, now go out there and have FUN and keep the rubber side down.

Ray Rickard Memorial Spring Century

Dave Scarborough, Spring Century Coordinator

The Ray Rickard Memorial Spring ride was moved from Sunday May 26th to Monday May 27th due to weather concerns. Even with the change of dates the participation was about half of historical levels. Standing in the driveway at Tina's on the morning of the 27th the weather was a concern. People were pulling up radar on their phones and a heavy downpour was showing up nearby. Fortunately we only got a little bit of rain. We waited it out and started about 30 minutes later then scheduled.

Nineteen riders did the whole loop(though one unnamed rider showed up late and got a ride to the others, cutting off about ten miles for him). One rider did the West side and two did the Diamond Valley Loop. Rite of Passage also participated bring a group of about fifteen riders including their adult coaches.

Amazingly the ride was almost completely rain free. There were some light sprinkles just before Holbrook Junction. Other then that the only worry was spray from passing cars. The first to

the top of Monitor was Pike Reardon. Followed closely by Blake, Kevin, and Mihai. Everyone was in good spirits arriving at the top. The day ended with socializing and a BBQ at Tina's.

Thanks to Rick, Leslie, Roland and Curtis who helped with the rest stop and sag. A huge thank you to Tina for hosting the event. Thanks also to the others who helped with set up Sunday, check in on Monday, and cleaning up on Monday.

Thursday Evening Race Series – 2019 Season

Michael Bayer, Race Administration

Racing is one of the best ways to get some excellent cycling exercise and social time for cyclists of any age. For those who are a little nervous about getting started with racing we suggest participating in the **Time Trial Series** – the subset of the overall series consisting of just the time trials. Please encourage your friends who might be uncertain about racing to consider participating in the time trials!

NICA Clothing Now Available To Order

Coach Drew, Alta Alpina NICA Unified Team

NOTE: The store closes on June 20!

Our NICA Team uniforms are now available to purchase. Please use this link to access the team store:
hyperthreads.com/team-stores/alta-alpina/

You can go to the store anytime between now and June 20 and purchase as many or as few items as you wish. We included a really cool team Hoodie for after practice or wearing to school/work for you as well. All items are available in a women's and a men's fit for juniors and adults of all sizes.

Important notes:

- The team store will only be open until June 20
- You purchase the items and have them shipped directly to the address of your choice
- Items will hopefully arrive mid to late July
- Check sizing carefully as items **cannot be returned** if incorrect as they are all custom
- There is a sizing link (hyperthreads.com/size-charts/) on the web page to reference (they run small)

Contact Coach Drew at mtnwallaby@gmail.com if you have any questions.

Career Opportunity: NDOT's Bicycle and Pedestrian Program Manager position is vacant.

The last few people to hold this position were Alta Alpina members.

This position currently supervises 3 full-time planning staff including the State Bike/Ped Education Coordinator and the State Safe Routes to School Coordinator. This position also acts as the designated Nevada Bicycle & Pedestrian Coordinator as required by federal law and will coordinate the Nevada Bicycle & Pedestrian Advisory Board. Applications are due June 18.

The job has been posted: <https://nvapps.state.nv.us/NEATS/Recruiting/ViewAnnouncement.aep?recruitmentId=37350>

Local Merchant Discount Program

Visit the merchant, peruse their shops and find out what you can buy as a benefit of being an AACC member. Details about local merchant offers is listed under "Merchant Discounts" on our website at www.AaltaAlpina.org.

Show your AACC Membership Card at time of purchase.

Board Meeting Minutes—June 3, 2019

Secretary: Michael Bayer; Other Board Members: Tod Conover (Membership); Nigel Leigh (President); Tammy Lundquist (Vice-president); Carlo Luri (Advocacy); Jim Sadilek (Website); Other Attendees: Bill Magladry

Meeting called to order at 6:15 pm

Minutes of May 6 meeting approved [Nigel/Tammy/Unanimous]

1. Monthly Status Reports:

- **Treasurer:** The current checking account balance is \$3577.95. The Paypal balance is \$17082.93.
- **Membership:** There are 118 fully paid memberships with 170 active members.
- **Weekend Rides:** Weekend rides have been well attended. Rick is planning a meeting with the weekend ride leaders to plan the rest of the season. Michael mentioned adding mixed terrain rides of the CVARS routes to the weekend ride schedule.
- **Social Media:** Continue to get positive feedback on expanded effort behind social media streams.
- **Newsletter:** Michael plans to get the newsletter out by June 10. Focus will be Alta Alpina Challenge and will also include spring century wrap-up, racing update, and ride schedule. Presidential posting and advocacy news needed.
- **Website:** Jim has been maintaining the home page with next race and next meeting information and is working to add the new banner to each page.
- **Clothing:** Coach Drew is still working to get the new store set up for NICA team uniforms. This is now anticipated for July.
- **Weekly Road Races:** Participation was great for the first few weeks of the season but dipped in May with an unfortunate series of threatening storms on successive Thursdays. ROP is now participating on a regular basis.
- **Junior Team:** Carlo reported that while NICA team activities formally kick-off in July, there will be Junior team rides in June. Drew is looking for sponsorship to offset the costs of the NICA team uniform for NICA team members.
- **Spring Century:** Spring Century was a success despite the weather. It was delayed by one day and a few hours but once we hit the road, the rain

stopped and things dried out. It was actually warm and sunny at the top of monitor and the post-ride BBQ went well.

- **Adopt A Highway:** The next clean-up is scheduled for June 22. The permit has been updated.
 - **Pinenut Cracker:** We're looking at either May or Fall 2020.
 - **King of Kingsbury Time Trial:** Post race season race set for September 28. Same race fees as race series.
 - **Cyclocross Race:** No plan for 2019.
 - **Mixed Terrain:** We're now waiting on news from our marketing grant proposal by the end of June. Once the Challenge is over work will begin in earnest on the Mixed Terrain events.
 - **Challenge:** This will be the focus for the rest of the month. We're still short on volunteers across the board--particularly for Thursday, Friday, and Sunday. We need to enforce the rule around not climbing Kingsbury until 5:00am. The board agreed that to do this we will issue stickers at the Mottsville stop starting at 5am. These stickers will be required to receive a Kingsbury sticker at the top of the climb.
 - **Bike Advocacy:** No report.
2. **New Tent Design:** Nigel has picked up the task of ordering the new tent. The vendor has mocked up some alternative designs. The approach that met with the most support was to make the tent club blue and place only the club name in club yellow on the four vertical panels of the tent and to leave the roof blank. "Alta Alpina" will be in block letters and "Cycling Club" in the script font as found in the club logo.
 3. **Membership Form:** Tod wants to experiment with an HTML form that he created while waiting for Dennis to complete the new software for membership applications.
 4. **Next Meeting:** Monday, July 8, 2019, 6 pm, Lakeside Inn in Stateline.
Meeting adjourned at 8:15 pm
